

ADC0848CCVX

|                     |                                    |
|---------------------|------------------------------------|
| Part Number:        | ADC0848CCVX                        |
| Manufacturer/Brand: | N/A                                |
| Product description | IC ADC 8BIT MPU COMPAT 28-PLCC     |
| Datasheets:         |                                    |
| RoHs Status         | Contains lead / RoHS non-compliant |
| Ship From           | Hong Kong                          |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS              |

Specifications of ADC0848CCVX

|                                  |                                                                          |
|----------------------------------|--------------------------------------------------------------------------|
| PART NUMBER                      | ADC0848CCVX                                                              |
| MANUFACTURER                     | N/A                                                                      |
| DESCRIPTION                      | IC ADC 8BIT MPU COMPAT 28-PLCC                                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                       |
| DATA SHEET                       |                                                                          |
| VOLTAGE - SUPPLY, DIGITAL        | 4.5 V ~ 6 V                                                              |
| VOLTAGE - SUPPLY, ANALOG         | 4.5 V ~ 6 V                                                              |
| SUPPLIER DEVICE PACKAGE          | 28-PLCC (11.51x11.51)                                                    |
| SERIES                           | -                                                                        |
| SAMPLING RATE (PER SECOND)       | 25k                                                                      |
| REFERENCE TYPE                   | External                                                                 |
| RATIO - S/H:ADC                  | -                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                         |
| PACKAGE / CASE                   | 28-LCC (J-Lead)                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                             |
| NUMBER OF INPUTS                 | 4, 8                                                                     |
| NUMBER OF BITS                   | 8                                                                        |
| NUMBER OF A/D CONVERTERS         | 1                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2A (4 Weeks)                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                       |
| INPUT TYPE                       | Differential, Pseudo-Differential, Single Ended                          |
| FEATURES                         | -                                                                        |
| DETAILED DESCRIPTION             | 8 Bit Analog to Digital Converter 4, 8 Input 1 SAR 28-PLCC (11.51x11.51) |
| DATA INTERFACE                   | Parallel                                                                 |
| CONFIGURATION                    | MUX-ADC                                                                  |
| BASE PART NUMBER                 | ADC0848                                                                  |
| ARCHITECTURE                     | SAR                                                                      |
