Specifications of SN74SSTVF16859G4R

|                                  |                                                                       |
|----------------------------------|-----------------------------------------------------------------------|
| PART NUMBER                      | SN74SSTVF16859G4R                                                     |
| MANUFACTURER                     | N/A                                                                   |
| DESCRIPTION                      | IC REG BUFF 26BIT SSTL 56-VQFN                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| DATA SHEET                       |                                                                       |
| SUPPLY VOLTAGE                   | 2.3 V ~ 2.7 V                                                         |
| SUPPLIER DEVICE PACKAGE          | 56-VQFN (8x8)                                                         |
| SERIES                           | 74SSTVF                                                               |
| PACKAGING                        | Tape & Reel (TR)                                                      |
| PACKAGE / CASE                   | 56-VFQFN Exposed Pad                                                  |
| OTHER NAMES                      | 296-18719-2                                                           |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                            |
| NUMBER OF BITS                   | 13, 26                                                                |
| MOUNTING TYPE                    | Surface Mount                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                         |
| LOGIC TYPE                       | Registered Buffer with SSTL_2 Compatible I/O for DDR                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| DETAILED DESCRIPTION             | Registered Buffer with SSTL_2 Compatible I/O for DDR IC 56-VQFN (8x8) |
| BASE PART NUMBER                 | 74SSTVF16859                                                          |
