| DESCRIPTION                      | IC REG LINEAR 2.5V 1A SOT223-6                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| DATA SHEET                       |                                                                       |
| VOLTAGE DROPOUT (MAX)            | 0.48V @ 1A                                                            |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 2.5V                                                                  |
| VOLTAGE - OUTPUT (MAX)           | -                                                                     |
| VOLTAGE - INPUT (MAX)            | 15V                                                                   |
| SUPPLIER DEVICE PACKAGE          | SOT-223-6                                                             |
| SERIES                           | -                                                                     |
| PROTECTION FEATURES              | Over Current, Over Temperature                                        |
| PACKAGING                        | Tube                                                                  |
| PACKAGE / CASE                   | SOT-223-6                                                             |
| PSRR                             | 65dB (120Hz)                                                          |
| OUTPUT TYPE                      | Fixed                                                                 |
| OUTPUT CONFIGURATION             | Positive                                                              |
| OTHER NAMES                      | REG104GA25                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                          |
| NUMBER OF REGULATORS             | 1                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 2.5V 1A SOT-223-6 |
| CURRENT - SUPPLY (MAX)           | 1.8mA                                                                 |
| CURRENT - QUIESCENT (IQ)         | 0.7mA                                                                 |
| CURRENT - OUTPUT                 | 1A                                                                    |
| CONTROL FEATURES                 | Enable                                                                |
| BASE PART NUMBER                 | REG104-25                                                             |
