| DATA SHEET                        |  <a href="#">OP413ESZ-REEL.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 4 V ~ 36 V, ±2 V ~ 18 V                                                                                               |
| VOLTAGE - INPUT OFFSET            | 125µV                                                                                                                 |
| SUPPLIER DEVICE PACKAGE           | 16-SOIC                                                                                                               |
| SLEW RATE                         | 1.2 V/µs                                                                                                              |
| SERIES                            | -                                                                                                                     |
| PACKAGING                         | Tape & Reel (TR)                                                                                                      |
| PACKAGE / CASE                    | 16-SOIC (0.295", 7.50mm Width)                                                                                        |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                                          |
| OTHER NAMES                       | OP413ESZ-REEL-ND<br>OP413ESZ-REELTR                                                                                   |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                                          |
| NUMBER OF CIRCUITS                | 4                                                                                                                     |
| MOUNTING TYPE                     | Surface Mount                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                         |
| MANUFACTURER STANDARD LEAD TIME   | 7 Weeks                                                                                                               |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                            |
| GAIN BANDWIDTH PRODUCT            | 3.4MHz                                                                                                                |
| DETAILED DESCRIPTION              | General Purpose Amplifier 4 Circuit Rail-to-Rail 16-SOIC                                                              |
| CURRENT - SUPPLY                  | 3mA                                                                                                                   |
| CURRENT - OUTPUT / CHANNEL        | 40mA                                                                                                                  |
| CURRENT - INPUT BIAS              | 240nA                                                                                                                 |
