| DATA SHEET                        |  <a href="#">EL8108ISZ.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 5 V ~ 12 V, ±2.5 V ~ 6 V                                                                                          |
| SUPPLIER DEVICE PACKAGE           | 8-SOIC                                                                                                            |
| SLEW RATE                         | 800 V/μs                                                                                                          |
| SERIES                            | -                                                                                                                 |
| PACKAGING                         | Tube                                                                                                              |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                                                                     |
| OUTPUT TYPE                       | -                                                                                                                 |
| NUMBER OF CIRCUITS                | 2                                                                                                                 |
| MOUNTING TYPE                     | Surface Mount                                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 3 (168 Hours)                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                        |
| DETAILED DESCRIPTION              | Video Amp, 2 Current Feedback 8-SOIC                                                                              |
| CURRENT - SUPPLY                  | 14.3mA                                                                                                            |
| CURRENT - OUTPUT / CHANNEL        | 450mA                                                                                                             |
| BASE PART NUMBER                  | EL8108                                                                                                            |
| APPLICATIONS                      | Current Feedback                                                                                                  |
| -3DB BANDWIDTH                    | 200MHz                                                                                                            |
