| DATA SHEET                       |  LTC3826IUH#TRPBF.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | 4 V ~ 36 V                                                                                               |
| TOPOLOGY                         | Buck                                                                                                     |
| SYNCHRONOUS RECTIFIER            | Yes                                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 32-QFN (5x5)                                                                                             |
| SERIES                           | PolyPhase®                                                                                               |
| SERIAL INTERFACES                | -                                                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                                                         |
| PACKAGE / CASE                   | 32-WFQFN Exposed Pad                                                                                     |
| OUTPUT TYPE                      | Transistor Driver                                                                                        |
| OUTPUT PHASES                    | 2                                                                                                        |
| OUTPUT CONFIGURATION             | Positive                                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                        |
| NUMBER OF OUTPUTS                | 2                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| FUNCTION                         | Step-Down                                                                                                |
| FREQUENCY - SWITCHING            | 250kHz ~ 530kHz                                                                                          |
| DUTY CYCLE (MAX)                 | 99.4%                                                                                                    |
| DETAILED DESCRIPTION             | Buck Regulator Positive Output Step-Down DC-DC Controller IC 32-QFN (5x5)                                |
| CONTROL FEATURES                 | Enable, Power Good, Soft Start, Tracking                                                                 |
| CLOCK SYNC                       | No                                                                                                       |
| BASE PART NUMBER                 | LTC3826                                                                                                  |
