Specifications of OMAP3530ECBC72

|                                  |                                                                                         |
|----------------------------------|-----------------------------------------------------------------------------------------|
| PART NUMBER                      | OMAP3530ECBC72                                                                          |
| MANUFACTURER                     | N/A                                                                                     |
| DESCRIPTION                      | IC MPU OMAP-35XX 720MHZ 515FCBGA                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                      |
| DATA SHEET                       |                                                                                         |
| VOLTAGE - I/O                    | 1.8V, 3.0V                                                                              |
| USB                              | USB 1.x (3), USB 2.0 (1)                                                                |
| SUPPLIER DEVICE PACKAGE          | 515-POP-FCBGA (14x14)                                                                   |
| SPEED                            | 720MHz                                                                                  |
| SERIES                           | OMAP-35xx                                                                               |
| SECURITY FEATURES                | -                                                                                       |
| SATA                             | -                                                                                       |
| RAM CONTROLLERS                  | LPDDR                                                                                   |
| PACKAGING                        | Tray                                                                                    |
| PACKAGE / CASE                   | 515-VFBGA, FCBGA                                                                        |
| OPERATING TEMPERATURE            | 0°C ~ 90°C (TJ)                                                                         |
| NUMBER OF CORES/BUS WIDTH        | 1 Core, 32-Bit                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                           |
| MANUFACTURER STANDARD LEAD TIME  | 16 Weeks                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                      |
| GRAPHICS ACCELERATION            | Yes                                                                                     |
| ETHERNET                         | -                                                                                       |
| DISPLAY & INTERFACE CONTROLLERS  | LCD                                                                                     |
| DETAILED DESCRIPTION             | ARM® Cortex®-A8 Microprocessor IC OMAP-35xx 1 Core, 32-Bit 720MHz 515-POP-FCBGA (14x14) |
| CORE PROCESSOR                   | ARM® Cortex®-A8                                                                         |
| CO-PROCESSORS/DSP                | Signal Processing; C64x+, Multimedia; NEON™ SIMD                                        |
| BASE PART NUMBER                 | OMAP3530                                                                                |
| ADDITIONAL INTERFACES            | HDQ/1-Wire, I²C, McBSP, McSPI, MMC/SD/SDIO, UART                                        |
