|----------------------------------|-----------------------------------------------------------------------|
| PART NUMBER                      | CSDD1EC                                                               |
| MANUFACTURER                     | Honeywell Sensing and Productivity Solutions                          |
| DESCRIPTION                      | SENSOR CURRENT SWITCH 5A AC/DC                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| DATA SHEET                       |                                                                       |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 24 V                                                          |
| SERIES                           | CSD                                                                   |
| SENSOR TYPE                      | Current Switch                                                        |
| SENSITIVITY                      | -                                                                     |
| RESPONSE TIME                    | 100µs                                                                 |
| POLARIZATION                     | Bidirectional                                                         |
| PACKAGING                        | Bulk                                                                  |
| PACKAGE / CASE                   | 5-DIP Module                                                          |
| OUTPUT                           | NPN                                                                   |
| OPERATING TEMPERATURE            | -25°C ~ 85°C                                                          |
| NUMBER OF CHANNELS               | 1                                                                     |
| MOUNTING TYPE                    | Through Hole                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                         |
| LINEARITY                        | -                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| FREQUENCY                        | -                                                                     |
| FOR MEASURING                    | AC/DC                                                                 |
| DETAILED DESCRIPTION             | Current Sensor 5A 1 Channel Current Switch Bidirectional 5-DIP Module |
| CURRENT - SUPPLY (MAX)           | 22mA                                                                  |
| CURRENT - SENSING                | 5A                                                                    |
| ACCURACY                         | -                                                                     |
