## AT93C56A-10PU-2.7

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | AT93C56A-10PU-2.7                                                                                            |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                |
| Product description | IC EEPROM 2K SPI 2MHZ 8DIP                                                                                   |
| Datasheets:         |  AT93C56A-10PU-2.7.pdf      |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

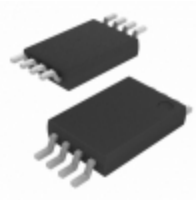

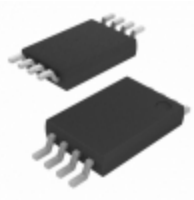

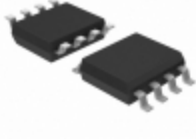

### Specifications of AT93C56A-10PU-2.7

|                                  |                                                                                                           |
|----------------------------------|-----------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | AT93C56A-10PU-2.7                                                                                         |
| MANUFACTURER                     | Micrel / Microchip Technology                                                                             |
| DESCRIPTION                      | IC EEPROM 2K SPI 2MHZ 8DIP                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| DATA SHEET                       |  AT93C56A-10PU-2.7.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | 10ms                                                                                                      |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                             |
| TECHNOLOGY                       | EEPROM                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 8-PDIP                                                                                                    |
| SERIES                           | -                                                                                                         |
| PACKAGING                        | Tube                                                                                                      |
| PACKAGE / CASE                   | 8-DIP (0.300", 7.62mm)                                                                                    |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                         |
| MOUNTING TYPE                    | Through Hole                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | Not Applicable                                                                                            |
| MEMORY TYPE                      | Non-Volatile                                                                                              |
| MEMORY SIZE                      | 2Kb (256 x 8, 128 x 16)                                                                                   |
| MEMORY INTERFACE                 | SPI                                                                                                       |
| MEMORY FORMAT                    | EEPROM                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| DETAILED DESCRIPTION             | EEPROM Memory IC 2Kb (256 x 8, 128 x 16) SPI 2MHz 8-PDIP                                                  |
| CLOCK FREQUENCY                  | 2MHz                                                                                                      |
| BASE PART NUMBER                 | AT93C56                                                                                                   |
