| VOLTAGE - SUPPLY                 | 5V                                                                       |
| TOLERANCE                        | ±30%                                                                     |
| TEMPERATURE COEFFICIENT (TYP)    | 35 ppm/°C                                                                |
| TAPER                            | Logarithmic                                                              |
| SUPPLIER DEVICE PACKAGE          | 16-QSOP                                                                  |
| SERIES                           | -                                                                        |
| RESISTANCE - WIPER (OHMS) (TYP)  | 1000                                                                     |
| RESISTANCE (OHMS)                | 10k                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                         |
| PACKAGE / CASE                   | 16-SSOP (0.154", 3.90mm Width)                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                             |
| NUMBER OF TAPS                   | 32                                                                       |
| NUMBER OF CIRCUITS               | 2                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                            |
| MEMORY TYPE                      | Volatile                                                                 |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| INTERFACE                        | SPI                                                                      |
| FEATURES                         | Mute, Zero-Cross Sense                                                   |
| DETAILED DESCRIPTION             | Digital Potentiometer 10k Ohm 2 Circuit 32 Taps SPI Interface 16-QSOP    |
| CONFIGURATION                    | Potentiometer                                                            |
