| MANUFACTURER                     | Cypress Semiconductor                                                                                  |
| DESCRIPTION                      | IC DEEP SYNC FIFO 16KX18 64LQFP                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DATA SHEET                       |  CY7C4265-10AXI.pdf |
| VOLTAGE - SUPPLY                 | 4.5V ~ 5.5V                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 64-TQFP (14x14)                                                                                        |
| SERIES                           | CY7C                                                                                                   |
| RETRANSMIT CAPABILITY            | Yes                                                                                                    |
| PROGRAMMABLE FLAGS SUPPORT       | Yes                                                                                                    |
| PACKAGING                        | Tray                                                                                                   |
| PACKAGE / CASE                   | 64-LQFP                                                                                                |
| OTHER NAMES                      | CY7C426510AXI                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                          |
| MEMORY SIZE                      | 288K (16K x 18)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| FUNCTION                         | Synchronous                                                                                            |
| FWFT SUPPORT                     | No                                                                                                     |
| EXPANSION TYPE                   | Depth, Width                                                                                           |
| DATA RATE                        | 100MHz                                                                                                 |
| CURRENT - SUPPLY (MAX)           | 50mA                                                                                                   |
| BUS DIRECTIONAL                  | Uni-Directional                                                                                        |
| BASE PART NUMBER                 | 7C4265                                                                                                 |
| ACCESS TIME                      | 8ns                                                                                                    |
