

MTFC16GAKAEEF-AIT

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MTFC16GAKAEEF-AIT                                                                                            |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC FLASH 128G MMC                                                                                            |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of MTFC16GAKAEEF-AIT

|                                  |                                            |
|----------------------------------|--------------------------------------------|
| PART NUMBER                      | MTFC16GAKAEEF-AIT                          |
| MANUFACTURER                     | Micron Technology                          |
| DESCRIPTION                      | IC FLASH 128G MMC                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                 |
| DATA SHEET                       |                                            |
| WRITE CYCLE TIME - WORD, PAGE    | -                                          |
| VOLTAGE - SUPPLY                 | 1.7 V ~ 1.9 V                              |
| TECHNOLOGY                       | FLASH - NAND                               |
| SERIES                           | e•MMC™                                     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                              |
| MEMORY TYPE                      | Non-Volatile                               |
| MEMORY SIZE                      | 128Gb (16G x 8)                            |
| MEMORY INTERFACE                 | MMC                                        |
| MEMORY FORMAT                    | FLASH                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                 |
| DETAILED DESCRIPTION             | FLASH - NAND Memory IC 128Gb (16G x 8) MMC |
