| VOLTAGE - SUPPLY                 | 5V, ±5V                                                                  |
| TOLERANCE                        | -                                                                        |
| TEMPERATURE COEFFICIENT (TYP)    | -                                                                        |
| TAPER                            | Linear                                                                   |
| SUPPLIER DEVICE PACKAGE          | 8-uMAX                                                                   |
| SERIES                           | -                                                                        |
| RESISTANCE - WIPER (OHMS) (TYP)  | 500                                                                      |
| RESISTANCE (OHMS)                | 15k                                                                      |
| PACKAGING                        | Tube                                                                     |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                             |
| NUMBER OF TAPS                   | 4                                                                        |
| NUMBER OF CIRCUITS               | 1                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                            |
| MEMORY TYPE                      | Volatile                                                                 |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| INTERFACE                        | Parallel                                                                 |
| FEATURES                         | -                                                                        |
| DETAILED DESCRIPTION             | Digital Potentiometer 15k Ohm 1 Circuit 4 Taps Parallel Interface 8-uMAX |
| CONFIGURATION                    | Potentiometer                                                            |
