TP11368V / NOPB

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | TP11368V/NOPB                                                                                                |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC PROCESSOR OCTL DIF PCM 28PLCC                                                                             |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of TP11368V/NOPB

|                                  |                                                              |
|----------------------------------|--------------------------------------------------------------|
| PART NUMBER                      | TP11368V/NOPB                                                |
| MANUFACTURER                     | N/A                                                          |
| DESCRIPTION                      | IC PROCESSOR OCTL DIF PCM 28PLCC                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                   |
| DATA SHEET                       |                                                              |
| VOLTAGE - SUPPLY                 | 5V                                                           |
| SUPPLIER DEVICE PACKAGE          | 28-PLCC (11.51x11.51)                                        |
| SERIES                           | -                                                            |
| POWER (WATTS)                    | 50mW                                                         |
| PACKAGING                        | Tube                                                         |
| PACKAGE / CASE                   | 28-LCC (J-Lead)                                              |
| OTHER NAMES                      | *TP11368V<br>*TP11368V/NOPB<br>TP11368V<br>TP11368V-ND       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                 |
| NUMBER OF CIRCUITS               | 8                                                            |
| MOUNTING TYPE                    | Surface Mount                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                   |
| INTERFACE                        | ADPCM                                                        |
| INCLUDES                         | -                                                            |
| FUNCTION                         | Pulse Code Modulation (PCM)                                  |
| DETAILED DESCRIPTION             | Telecom IC Pulse Code Modulation (PCM) 28-PLCC (11.51x11.51) |
| CURRENT - SUPPLY                 | 10mA                                                         |
| BASE PART NUMBER                 | TP11368                                                      |
