PMMA9550LT

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | PMMA9550LT                                                                                                   |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC ACCEL 3-AXIS LOW G                                                                                        |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of PMMA9550LT

|                                  |                                |
|----------------------------------|--------------------------------|
| PART NUMBER                      | PMMA9550LT                     |
| MANUFACTURER                     | NXP Semiconductors / Freescale |
| DESCRIPTION                      | IC ACCEL 3-AXIS LOW G          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant     |
| DATA SHEET                       |                                |
| VOLTAGE - SUPPLY                 | -                              |
| TYPE                             | -                              |
| SUPPLIER DEVICE PACKAGE          | -                              |
| SERIES                           | -                              |
| SENSITIVITY (MV/G)               | -                              |
| SENSITIVITY (LSB/G)              | -                              |
| PACKAGE / CASE                   | -                              |
| OUTPUT TYPE                      | -                              |
| OTHER NAMES                      | 935314132699                   |
| OPERATING TEMPERATURE            | -                              |
| MOUNTING TYPE                    | -                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant     |
| FEATURES                         | -                              |
| DETAILED DESCRIPTION             | Accelerometer Axis             |
| BANDWIDTH                        | -                              |
| AXIS                             | -                              |
| ACCELERATION RANGE               | -                              |
