

LM339QT

Part Number:LM339QT

Manufacturer/Brand:STMicroelectronics

Product description:IC COMPARATOR LP QUAD 16QFN

Datasheets:[LM339QT.pdf](#)

RoHs Status:Lead free / RoHS Compliant

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

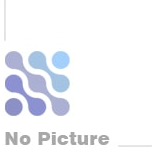

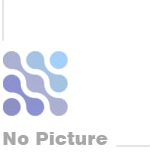

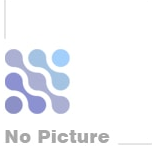

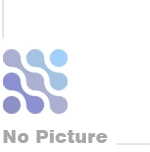

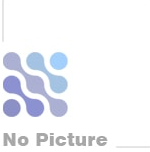

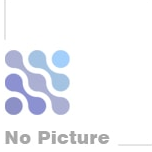

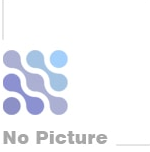

Specifications of LM339QT

|                                   |                                                                                  |
|-----------------------------------|----------------------------------------------------------------------------------|
| PART NUMBER                       | LM339QT                                                                          |
| MANUFACTURER                      | STMicroelectronics                                                               |
| DESCRIPTION                       | IC COMPARATOR LP QUAD 16QFN                                                      |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                       |
| DATA SHEET                        | <a href="#">LM339QT.pdf</a>                                                      |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2 V ~ 36 V, ±1 V ~ 18 V                                                          |
| VOLTAGE - INPUT OFFSET (MAX)      | -                                                                                |
| TYPE                              | General Purpose                                                                  |
| SUPPLIER DEVICE PACKAGE           | 16-QFN (3x3)                                                                     |
| SERIES                            | -                                                                                |
| PROPAGATION DELAY (MAX)           | -                                                                                |
| PACKAGING                         | Tape & Reel (TR)                                                                 |
| PACKAGE / CASE                    | 16-VFQFN Exposed Pad                                                             |
| OUTPUT TYPE                       | CMOS, DTL, ECL, MOS, Open-Collector, TTL                                         |
| OTHER NAMES                       | 497-12006-2                                                                      |
| OPERATING TEMPERATURE             | -                                                                                |
| NUMBER OF ELEMENTS                | 4                                                                                |
| MOUNTING TYPE                     | Surface Mount                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                    |
| MANUFACTURER STANDARD LEAD TIME   | 38 Weeks                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                       |
| HYSTERESIS                        | -                                                                                |
| DETAILED DESCRIPTION              | Comparator General Purpose CMOS, DTL, ECL, MOS, Open-Collector, TTL 16-QFN (3x3) |
| CURRENT - QUIESCENT (MAX)         | 2.5mA                                                                            |
| CURRENT - OUTPUT (TYP)            | -                                                                                |
| CURRENT - INPUT BIAS (MAX)        | -                                                                                |
| CMRR, PSRR (TYP)                  | -                                                                                |
| BASE PART NUMBER                  | LM339                                                                            |
