TSB43DB42ZHC

Part Number: TSB43DB42ZHC

Manufacturer/Brand: N/A

Product description: IC PHY/LINK LAYER CTRLR 196-BGA

Datasheets:

RoHs Status:  Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| Specifications of TSB43DB42ZHC   |                                                                                                         |
|----------------------------------|---------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | TSB43DB42ZHC                                                                                            |
| MANUFACTURER                     | N/A                                                                                                     |
| DESCRIPTION                      | IC PHY/LINK LAYER CTRLR 196-BGA                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| DATA SHEET                       |                                                                                                         |
| VOLTAGE - SUPPLY                 | 1.5 V, 3.3 V                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 196-BGA MICROSTAR (15x15)                                                                               |
| STANDARDS                        | IEEE 1394-1995, 1394a-2000                                                                              |
| SERIES                           | -                                                                                                       |
| PROTOCOL                         | IEEE 1394                                                                                               |
| PACKAGING                        | Tray                                                                                                    |
| PACKAGE / CASE                   | 196-BGA                                                                                                 |
| OPERATING TEMPERATURE            | -20°C ~ 85°C                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| INTERFACE                        | Parallel                                                                                                |
| FUNCTION                         | Link Layer Controller                                                                                   |
| DETAILED DESCRIPTION             | IEEE 1394 Link Layer Controller IEEE 1394-1995, 1394a-2000 Parallel Interface 196-BGA MICROSTAR (15x15) |
| CURRENT - SUPPLY                 | -                                                                                                       |
| BASE PART NUMBER                 | TSB43DB42                                                                                               |
