| VOLTAGE - SUPPLY                 | 2.6 V ~ 5.5 V                                                              |
| TOLERANCE                        | ±25%                                                                       |
| TEMPERATURE COEFFICIENT (TYP)    | 35 ppm/°C                                                                  |
| TAPER                            | Linear                                                                     |
| SUPPLIER DEVICE PACKAGE          | 14-TSSOP                                                                   |
| SERIES                           | -                                                                          |
| RESISTANCE - WIPER (OHMS) (TYP)  | 250                                                                        |
| RESISTANCE (OHMS)                | 10k                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                           |
| PACKAGE / CASE                   | 14-TSSOP (0.173", 4.40mm Width)                                            |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                              |
| NUMBER OF TAPS                   | 256                                                                        |
| NUMBER OF CIRCUITS               | 2                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                              |
| MEMORY TYPE                      | Volatile                                                                   |
