| PART NUMBER                       | MAX901BCSE+                                                            |
| MANUFACTURER                      | Maxim Integrated                                                       |
| DESCRIPTION                       | IC COMPARATOR QUAD HS LP 16-SOIC                                       |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                             |
| DATA SHEET                        | <a href="#">1.MAX901BCSE+.pdf</a><br><a href="#">2.MAX901BCSE+.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 5 V ~ 10 V, ±2.5 V ~ 5 V                                               |
| VOLTAGE - INPUT OFFSET (MAX)      | 4mV @ ±5V                                                              |
| TYPE                              | General Purpose                                                        |
| SUPPLIER DEVICE PACKAGE           | 16-SOIC                                                                |
| SERIES                            | -                                                                      |
| PROPAGATION DELAY (MAX)           | -                                                                      |
| PACKAGING                         | Tube                                                                   |
| PACKAGE / CASE                    | 16-SOIC (0.154", 3.90mm Width)                                         |
| OUTPUT TYPE                       | TTL                                                                    |
| OPERATING TEMPERATURE             | 0°C ~ 70°C                                                             |
| NUMBER OF ELEMENTS                | 4                                                                      |
| MOUNTING TYPE                     | Surface Mount                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                          |
| MANUFACTURER STANDARD LEAD TIME   | 6 Weeks                                                                |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                             |
| HYSTERESIS                        | -                                                                      |
| DETAILED DESCRIPTION              | Comparator General Purpose TTL 16-SOIC                                 |
| CURRENT - QUIESCENT (MAX)         | 15mA,12mA,6mA                                                          |
| CURRENT - OUTPUT (TYP)            | -                                                                      |
| CURRENT - INPUT BIAS (MAX)        | 10µA @ ±5V                                                             |
| CMRR, PSRR (TYP)                  | 82.5dB CMRR, 80dB PSRR                                                 |
| BASE PART NUMBER                  | MAX901                                                                 |
