Specifications of XR88C192CVTR-F

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | XR88C192CVTR-F                                                                                         |
| MANUFACTURER                     | Exar Corporation                                                                                       |
| DESCRIPTION                      | IC UART FIFO DUAL 44LQFP                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DATA SHEET                       |  XR88C192CVTR-F.pdf |
| WITH MODEM CONTROL               | -                                                                                                      |
| WITH IRDA ENCODER/DECODER        | -                                                                                                      |
| WITH FALSE START BIT DETECTION   | -                                                                                                      |
| WITH AUTO FLOW CONTROL           | Yes                                                                                                    |
| VOLTAGE - SUPPLY                 | 2.97 V ~ 5.5 V                                                                                         |
| SERIES                           | -                                                                                                      |
| PROTOCOL                         | -                                                                                                      |
| NUMBER OF CHANNELS               | 2, DUART                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| FEATURES                         | Configurable GPIO, Internal Oscillator, Timer/Counter                                                  |
| FIFO'S                           | 16 Byte                                                                                                |
| DATA RATE (MAX)                  | 230.4Kbps                                                                                              |
