AD9977BBCZ

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | AD9977BBCZ                                                                                                   |
| Manufacturer/Brand: | ADI (Analog Devices, Inc.)                                                                                   |
| Product description | IC CCDSP DUAL 14BIT 84CSBGA                                                                                  |
| Datasheets:         |                                                                                                              |
| RoHS Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of AD9977BBCZ

|                                  |                              |
|----------------------------------|------------------------------|
| PART NUMBER                      | AD9977BBCZ                   |
| MANUFACTURER                     | ADI (Analog Devices, Inc.)   |
| DESCRIPTION                      | IC CCDSP DUAL 14BIT 84CSBGA  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant   |
| DATA SHEET                       |                              |
| TYPE                             | CCD Signal Processor, 14-Bit |
| SUPPLIER DEVICE PACKAGE          | 84-CSPBGA (6x6)              |
| SERIES                           | -                            |
| PACKAGING                        | Tray                         |
| PACKAGE / CASE                   | 84-LFBGA, CSPBGA             |
| OUTPUT TYPE                      | LVDS                         |
| OPERATING TEMPERATURE            | -25°C ~ 85°C                 |
| MOUNTING TYPE                    | Surface Mount                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                |
| MANUFACTURER STANDARD LEAD TIME  | 15 Weeks                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant   |
| INTERFACE                        | Serial                       |
| INPUT TYPE                       | Serial                       |
| BASE PART NUMBER                 | AD9977                       |
