

AS4C4M32S-6TINTR

Part Number:

AS4C4M32S-6TINTR

Manufacturer/Brand:

Alliance Memory, Inc.

Product description

IC DRAM 128M PARALLEL 86TSOP II

Datasheets:

 AS4C4M32S-6TINTR.pdf

RoHs Status

 Lead free / RoHS Compliant

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

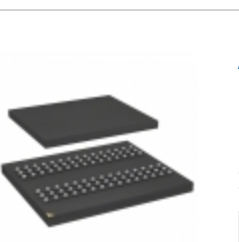

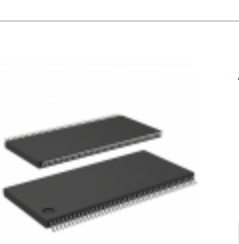

Specifications of AS4C4M32S-6TINTR

|                                  |                                                                                                          |

| PART NUMBER                      | AS4C4M32S-6TINTR                                                                                         |
| MANUFACTURER                     | Alliance Memory, Inc.                                                                                    |
| DESCRIPTION                      | IC DRAM 128M PARALLEL 86TSOP II                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| DATA SHEET                       |  AS4C4M32S-6TINTR.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | 2ns                                                                                                      |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                                              |
| TECHNOLOGY                       | SDRAM                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 86-TSOP II                                                                                               |
| SERIES                           | -                                                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                                                         |
| PACKAGE / CASE                   | 86-TFSOP (0.400", 10.16mm Width)                                                                         |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                            |
| MEMORY TYPE                      | Volatile                                                                                                 |
| MEMORY SIZE                      | 128Mb (4M x 32)                                                                                          |
| MEMORY INTERFACE                 | Parallel                                                                                                 |
| MEMORY FORMAT                    | DRAM                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| DETAILED DESCRIPTION             | SDRAM Memory IC 128Mb (4M x 32) Parallel 166MHz 5.5ns 86-TSOP II                                         |
| CLOCK FREQUENCY                  | 166MHz                                                                                                   |
| ACCESS TIME                      | 5.5ns                                                                                                    |
