|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | ADS7280IRSAT                                                                                                 |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC ADC 14BIT 1MHZ DUAL 16-QFN                                                                                |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

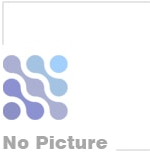

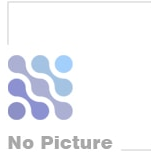

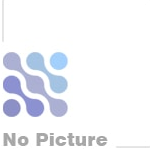

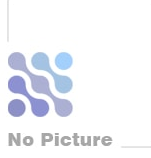

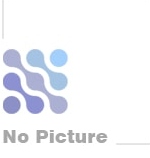

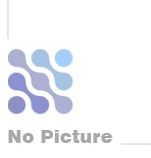

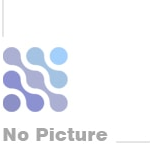

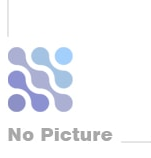

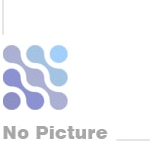

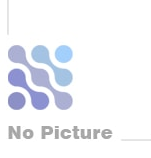

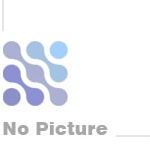

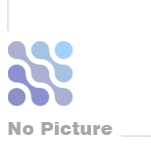

Specifications of ADS7280IRSAT

|                                  |                                                               |
|----------------------------------|---------------------------------------------------------------|
| PART NUMBER                      | ADS7280IRSAT                                                  |
| MANUFACTURER                     | N/A                                                           |
| DESCRIPTION                      | IC ADC 14BIT 1MHZ DUAL 16-QFN                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                    |
| DATA SHEET                       |                                                               |
| VOLTAGE - SUPPLY, DIGITAL        | 1.65 V ~ 5.5 V                                                |
| VOLTAGE - SUPPLY, ANALOG         | 5V                                                            |
| SUPPLIER DEVICE PACKAGE          | 16-QFN (4x4)                                                  |
| SERIES                           | -                                                             |
| SAMPLING RATE (PER SECOND)       | 1M                                                            |
| REFERENCE TYPE                   | External                                                      |
| RATIO - S/H:ADC                  | 1:1                                                           |
| PACKAGING                        | Original-Reel®                                                |
| PACKAGE / CASE                   | 16-VQFN Exposed Pad                                           |
| OTHER NAMES                      | 296-23497-6                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                  |
| NUMBER OF INPUTS                 | 2                                                             |
| NUMBER OF BITS                   | 14                                                            |
| NUMBER OF A/D CONVERTERS         | 1                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                    |
| MANUFACTURER STANDARD LEAD TIME  | 20 Weeks                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                    |
| INPUT TYPE                       | Pseudo-Differential, Single Ended                             |
| FEATURES                         | -                                                             |
| DETAILED DESCRIPTION             | 14 Bit Analog to Digital Converter 2 Input 1 SAR 16-QFN (4x4) |
| DATA INTERFACE                   | SPI, DSP                                                      |
| CONFIGURATION                    | MUX-S/H-ADC                                                   |
| BASE PART NUMBER                 | ADS7280                                                       |
| ARCHITECTURE                     | SAR                                                           |
