| DESCRIPTION                       | IC OPAMP VFB 110MHZ RRO 8SOIC                                                                                     |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                        |
| DATA SHEET                        |  <a href="#">AD8092ARZ.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3 V ~ 12 V, ±1.5 V ~ 6 V                                                                                          |
| VOLTAGE - INPUT OFFSET            | 1.8mV                                                                                                             |
| SUPPLIER DEVICE PACKAGE           | 8-SOIC                                                                                                            |
| SLEW RATE                         | 170 V/µs                                                                                                          |
| SERIES                            | -                                                                                                                 |
| PACKAGING                         | Tube                                                                                                              |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                                                                     |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                                      |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                                      |
| NUMBER OF CIRCUITS                | 2                                                                                                                 |
| MOUNTING TYPE                     | Surface Mount                                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                     |
| MANUFACTURER STANDARD LEAD TIME   | 8 Weeks                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                        |
| DETAILED DESCRIPTION              | Voltage Feedback Amplifier 2 Circuit Rail-to-Rail 8-SOIC                                                          |
| CURRENT - SUPPLY                  | 4.8mA                                                                                                             |
| CURRENT - OUTPUT / CHANNEL        | 45mA                                                                                                              |
| CURRENT - INPUT BIAS              | 1.4µA                                                                                                             |
| BASE PART NUMBER                  | AD8092                                                                                                            |
| AMPLIFIER TYPE                    | Voltage Feedback                                                                                                  |
| -3DB BANDWIDTH                    | 110MHz                                                                                                            |
