

A09-HBMM-P5I

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | A09-HBMM-P5I                   |
| Manufacturer/Brand: | Digi International             |
| Product description | RF ANT 900MHZ WHIP STR MMCX 7" |
| Datasheets:         | A09-HBMM-P5I.pdf               |
| RoHs Status         | Lead free / RoHS Compliant     |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

REQUEST FOR QUOTATION

Specifications of A09-HBMM-P5I

|                                  |                                                                        |

| PART NUMBER                      | A09-HBMM-P5I                                                           |
| MANUFACTURER                     | Digi International                                                     |
| DESCRIPTION                      | RF ANT 900MHZ WHIP STR MMCX 7"                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| DATA SHEET                       | A09-HBMM-P5I.pdf                                                       |
| VSWR                             | -                                                                      |
| TERMINATION                      | Connector, MMCX Male                                                   |
| SERIES                           | -                                                                      |
| RETURN LOSS                      | -                                                                      |
| PACKAGING                        | Bulk                                                                   |
| OTHER NAMES                      | 602-1463<br>A09-HBMM-P5I-ND                                            |
| NUMBER OF BANDS                  | 1                                                                      |
| MOUNTING TYPE                    | Panel Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| INGRESS PROTECTION               | -                                                                      |
| HEIGHT (MAX)                     | -                                                                      |
| GAIN                             | 2dBi                                                                   |
| FREQUENCY RANGE                  | -                                                                      |
| FREQUENCY GROUP                  | UHF (300 MHz ~ 1 GHz)                                                  |
| FREQUENCY (CENTER/BAND)          | 900MHz                                                                 |
| FEATURES                         | -                                                                      |
| DETAILED DESCRIPTION             | 900MHz Whip, Straight RF Antenna 2dBi Connector, MMCX Male Panel Mount |
| APPLICATIONS                     | -                                                                      |
| ANTENNA TYPE                     | Whip, Straight                                                         |
