

APEM Inc.

### 645H/2

Part Number: 645H/2

Manufacturer/Brand: APEM Inc.

Product description: SWITCH TOGGLE DPDT 10A 125V

Datasheets:  645H/2.pdf

RoHs Status:  Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| Specifications of 645H/2         |                                                                                                |

| PART NUMBER                      | 645H/2                                                                                         |
| MANUFACTURER                     | APEM Inc.                                                                                      |
| DESCRIPTION                      | SWITCH TOGGLE DPDT 10A 125V                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                     |
| DATA SHEET                       |  645H/2.pdf |
| VOLTAGE RATING - AC              | 125V                                                                                           |
| TERMINATION STYLE                | Quick Connect - 0.250" (6.3mm)                                                                 |
| SWITCH FUNCTION                  | On-Mom                                                                                         |
| SERIES                           | 600H                                                                                           |
| PANEL CUTOUT DIMENSIONS          | Circular - 12.20mm Dia                                                                         |
| PACKAGING                        | Bulk                                                                                           |
| OTHER NAMES                      | 645H2<br>679-1230                                                                              |
| OPERATING TEMPERATURE            | -20°C ~ 55°C                                                                                   |
| MOUNTING TYPE                    | Panel Mount                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                     |
| INGRESS PROTECTION               | -                                                                                              |
| ILLUMINATION VOLTAGE (NOMINAL)   | -                                                                                              |
| ILLUMINATION TYPE, COLOR         | -                                                                                              |
| ILLUMINATION                     | Non-Illuminated                                                                                |
| FEATURES                         | -                                                                                              |
| ELECTRICAL LIFE                  | 10,000 Cycles                                                                                  |
| DETAILED DESCRIPTION             | Toggle Switch DPDT Panel Mount                                                                 |
| CURRENT RATING                   | 10A (AC)                                                                                       |
| CIRCUIT                          | DPDT                                                                                           |
| BUSHING THREAD                   | M12 x 0.75                                                                                     |
| ACTUATOR TYPE                    | Standard Round                                                                                 |
| ACTUATOR MATERIAL                | Brass, Nickel Plated                                                                           |
| ACTUATOR LENGTH                  | 17.50mm                                                                                        |
