| VOLTAGE - SUPPLY                 | 7 V ~ 9.5 V                                                                      |
| SUPPLIER DEVICE PACKAGE          | 32-SSOPA                                                                         |
| SPECIFICATIONS                   | -                                                                                |
| SERIES                           | -                                                                                |
| PACKAGING                        | Tape & Reel (TR)                                                                 |
| PACKAGE / CASE                   | 32-SOP (0.213", 5.40mm Width)                                                    |
| OTHER NAMES                      | BD37541FS-E2TR                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                |
| NUMBER OF CHANNELS               | 5                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                    |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                       |
| INTERFACE                        | I²C                                                                              |
| FUNCTION                         | Audio Tone Processor                                                             |
| DETAILED DESCRIPTION             | Audio Audio Tone Processor 5 Channel 32-SSOPA                                    |
| APPLICATIONS                     | Automotive Audio, Consumer Audio                                                 |
