| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 4.5 V ~ 11 V, ±2.25 V ~ 5.5 V                                          |
| SUPPLIER DEVICE PACKAGE           | 20-TSSOP                                                               |
| SLEW RATE                         | 500 V/μs                                                               |
| SERIES                            | -                                                                      |
| PACKAGING                         | Tube                                                                   |
| PACKAGE / CASE                    | 20-TSSOP (0.173", 4.40mm Width)                                        |
| OUTPUT TYPE                       | Rail-to-Rail                                                           |
| NUMBER OF CIRCUITS                | 4                                                                      |
| MOUNTING TYPE                     | Surface Mount                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                          |
| MANUFACTURER STANDARD LEAD TIME   | 6 Weeks                                                                |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                             |
| DETAILED DESCRIPTION              | Video Amp, 4 Voltage Feedback 20-TSSOP                                 |
| CURRENT - SUPPLY                  | 6mA                                                                    |
| CURRENT - OUTPUT / CHANNEL        | 95mA                                                                   |
| BASE PART NUMBER                  | MAX4396                                                                |
| APPLICATIONS                      | Voltage Feedback                                                       |
| -3DB BANDWIDTH                    | 85MHz                                                                  |
