| DATA SHEET                           |  PS9513L1-AX.pdf |
| VOLTAGE - SUPPLY                     | 4.5 V ~ 20 V                                                                                        |
| VOLTAGE - ISOLATION                  | 5000Vrms                                                                                            |
| VOLTAGE - FORWARD (VF) (TYP)         | 1.65V                                                                                               |
| SUPPLIER DEVICE PACKAGE              | 8-DIP                                                                                               |
| SERIES                               | -                                                                                                   |
| RISE / FALL TIME (TYP)               | -                                                                                                   |
| PROPAGATION DELAY TPLH / TPHL (MAX)  | 750ns, 500ns                                                                                        |
| PACKAGING                            | Tube                                                                                                |
| PACKAGE / CASE                       | 8-DIP (0.400", 10.16mm)                                                                             |
| OUTPUT TYPE                          | Open Collector                                                                                      |
| OTHER NAMES                          | 559-1662                                                                                            |
| OPERATING TEMPERATURE                | -40°C ~ 100°C                                                                                       |
| NUMBER OF CHANNELS                   | 1                                                                                                   |
| MOUNTING TYPE                        | Through Hole                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL)     | 1 (Unlimited)                                                                                       |
| MANUFACTURER STANDARD LEAD TIME      | 16 Weeks                                                                                            |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                                                          |
| INPUTS - SIDE 1/SIDE 2               | 1/0                                                                                                 |
| INPUT TYPE                           | DC                                                                                                  |
| DETAILED DESCRIPTION                 | Logic Output Optoisolator 1Mbps Open Collector 5000Vrms 1 Channel 15kV/μs CMTI 8-DIP                |
| DATA RATE                            | 1Mbps                                                                                               |
| CURRENT - OUTPUT / CHANNEL           | 15mA                                                                                                |
| CURRENT - DC FORWARD (IF) (MAX)      | 25mA                                                                                                |
| COMMON MODE TRANSIENT IMMUNITY (MIN) | 15kV/μs                                                                                             |
