| DESCRIPTION                      | IC TXRX NON-INVERT 5.5V 20SSOP                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                    |
| DATA SHEET                       |                                                                               |
| VOLTAGE - SUPPLY                 | 1.5 V ~ 5.5 V                                                                 |
| SUPPLIER DEVICE PACKAGE          | 20-SSOP                                                                       |
| SERIES                           | 74AC                                                                          |
| PACKAGING                        | Tape & Reel (TR)                                                              |
| PACKAGE / CASE                   | 20-SSOP (0.209", 5.30mm Width)                                                |
| OUTPUT TYPE                      | 3-State                                                                       |
| OPERATING TEMPERATURE            | -55°C ~ 125°C (TA)                                                            |
| NUMBER OF ELEMENTS               | 1                                                                             |
| NUMBER OF BITS PER ELEMENT       | 8                                                                             |
| MOUNTING TYPE                    | Surface Mount                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                 |
| LOGIC TYPE                       | Transceiver, Non-Inverting                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                    |
| INPUT TYPE                       | -                                                                             |
| DETAILED DESCRIPTION             | Transceiver, Non-Inverting 1 Element 8 Bit per Element 3-State Output 20-SSOP |
| CURRENT - OUTPUT HIGH, LOW       | 24mA, 24mA                                                                    |
| BASE PART NUMBER                 | 74AC245                                                                       |
