| DATA SHEET                        |  <a href="#">ADV3227ACPZ.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE (V+)     | -                                                                                                                   |
| VOLTAGE - SUPPLY, DUAL (V±)       | ±4.5 V ~ 5.5 V                                                                                                      |
| SWITCH CIRCUIT                    | -                                                                                                                   |
| SUPPLIER DEVICE PACKAGE           | 100-LFCSP-VQ (12x12)                                                                                                |
| SERIES                            | -                                                                                                                   |
| PACKAGING                         | Tray                                                                                                                |
| PACKAGE / CASE                    | 100-VQFN Exposed Pad, CSP                                                                                           |
| OPERATING TEMPERATURE             | -40°C ~ 85°C (TA)                                                                                                   |
| ON-STATE RESISTANCE (MAX)         | -                                                                                                                   |
| NUMBER OF CHANNELS                | 1                                                                                                                   |
| MULTIPLEXER/DEMULTIPLEXER CIRCUIT | 16:16                                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 3 (168 Hours)                                                                                                       |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                          |
| FEATURES                          | Buffered                                                                                                            |
| DETAILED DESCRIPTION              | Telecommunications, Video Switch IC 1 Channel 100-LFCSP-VQ (12x12)                                                  |
| BASE PART NUMBER                  | ADV3227                                                                                                             |
| APPLICATIONS                      | Telecommunications, Video                                                                                           |
| -3DB BANDWIDTH                    | 750MHz                                                                                                              |
