

MAX6665ASA55+

|                     |                                   |
|---------------------|-----------------------------------|
| Part Number:        | MAX6665ASA55+                     |
| Manufacturer/Brand: | Maxim Integrated                  |
| Product description | IC FAN CNTRL/DRV8-SOIC            |
| Datasheets:         | <a href="#">MAX6665ASA55+.pdf</a> |
| RoHS Status         | Lead free / RoHS Compliant        |
| Ship From           | Hong Kong                         |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS             |

Specifications of MAX6665ASA55+

|                                  |                                                                         |
|----------------------------------|-------------------------------------------------------------------------|
| PART NUMBER                      | MAX6665ASA55+                                                           |
| MANUFACTURER                     | Maxim Integrated                                                        |
| DESCRIPTION                      | IC FAN CNTRL/DRV8-SOIC                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                              |
| DATA SHEET                       | <a href="#">MAX6665ASA55+.pdf</a>                                       |
| VOLTAGE - SUPPLY                 | 2.7V ~ 5.5V                                                             |
| TRIP TEMPERATURE THRESHOLD       | Hot                                                                     |
| SWITCHING TEMPERATURE            | 55°C                                                                    |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC-EP                                                               |
| SERIES                           | -                                                                       |
| SELECTABLE HYSTERESIS            | Yes                                                                     |
| PACKAGING                        | Tube                                                                    |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width) Exposed Pad                               |
| OUTPUT TYPE                      | Open Drain, Push-Pull                                                   |
| OUTPUT FUNCTION                  | FanOn, /FanOut, /OverTemp, /Warn                                        |
| OUTPUT                           | Active High, Active Low                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                           |
| MOUNTING TYPE                    | Surface Mount                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                           |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                              |
| FEATURES                         | -                                                                       |
| DETAILED DESCRIPTION             | Thermostat 55°C Active High, Active Low Open Drain, Push-Pull 8-SOIC-EP |
| CURRENT - SUPPLY                 | 65µA                                                                    |
| CURRENT - OUTPUT (MAX)           | 250mA                                                                   |
| ACCURACY                         | ±3°C                                                                    |
