| VOLTAGE - SUPPLY (VCC/VDD)       | 1.8 V ~ 5.25 V                                                                   |
| SUPPLIER DEVICE PACKAGE          | 32-QFN (5x5)                                                                     |
| SPEED                            | 50MHz                                                                            |
| SERIES                           | C8051F50x                                                                        |
| RAM SIZE                         | 4.25K x 8                                                                        |
| PROGRAM MEMORY TYPE              | FLASH                                                                            |
| PROGRAM MEMORY SIZE              | 32KB (32K x 8)                                                                   |
| PERIPHERALS                      | POR, PWM, Temp Sensor, WDT                                                       |
| PACKAGING                        | Tube                                                                             |
| PACKAGE / CASE                   | 32-VFQFN Exposed Pad                                                             |
| OTHER NAMES                      | 336-1523-5                                                                       |
| OSCILLATOR TYPE                  | Internal                                                                         |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                               |
| NUMBER OF I/O                    | 25                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                    |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                       |
| EEPROM SIZE                      | -                                                                                |
| DETAILED DESCRIPTION             | 8051 C8051F50x Microcontroller IC 8-Bit 50MHz 32KB (32K x 8) FLASH 32-QFN (5x5)  |
| DATA CONVERTERS                  | A/D 25x12b                                                                       |
| CORE SIZE                        | 8-Bit                                                                            |
| CORE PROCESSOR                   | 8051                                                                             |
| CONNECTIVITY                     | SMBus (2-Wire/I <sup>2</sup> C), CANbus, LINbus, SPI, UART/USART                 |
| BASE PART NUMBER                 | C8051F50                                                                         |
