| DESCRIPTION                       | IC OPAMP INSTR 1MHZ 8SOIC                                                                            |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                                   |
| DATA SHEET                        |  AD620AR-REEL.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 4.6 V ~ 36 V, ±2.3 V ~ 18 V                                                                          |
| VOLTAGE - INPUT OFFSET            | 30µV                                                                                                 |
| SUPPLIER DEVICE PACKAGE           | 8-SOIC                                                                                               |
| SLEW RATE                         | 1.2 V/µs                                                                                             |
| SERIES                            | -                                                                                                    |
| PACKAGING                         | Tape & Reel (TR)                                                                                     |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                                                        |
| OUTPUT TYPE                       | -                                                                                                    |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                         |
| NUMBER OF CIRCUITS                | 1                                                                                                    |
| MOUNTING TYPE                     | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                                   |
| DETAILED DESCRIPTION              | Instrumentation Amplifier 1 Circuit 8-SOIC                                                           |
| CURRENT - SUPPLY                  | 900µA                                                                                                |
| CURRENT - OUTPUT / CHANNEL        | 18mA                                                                                                 |
| CURRENT - INPUT BIAS              | 500pA                                                                                                |
| BASE PART NUMBER                  | AD620                                                                                                |
| AMPLIFIER TYPE                    | Instrumentation                                                                                      |
| -3DB BANDWIDTH                    | 1MHz                                                                                                 |
