

Honeywell Sensing and Productivity Solutions

Productivity Solutions

Part Number: SSCDANN400MGAA3

Manufacturer/Brand: Honeywell Sensing and Productivity Solutions

Product description: BRD MNT PRESSURE SENSORS

Datasheets: [1.SSCDANN400MGAA3.pdf](#)  
[2.SSCDANN400MGAA3.pdf](#)  
[3.SSCDANN400MGAA3.pdf](#)  
[4.SSCDANN400MGAA3.pdf](#)

RoHs Status:  Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of SSCDANN400MGAA3

|                                  |                                                                                                                                                                  |

| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                                                                                                      |
| TERMINATION STYLE                | PC Pin                                                                                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 8-DIP                                                                                                                                                            |
| SERIES                           | TruStability® SSC                                                                                                                                                |
| PRESSURE TYPE                    | Vented Gauge                                                                                                                                                     |
| PORT STYLE                       | Barbed                                                                                                                                                           |
| PORT SIZE                        | Male - 0.19" (4.93mm) Tube                                                                                                                                       |
| PACKAGE / CASE                   | 8-DIP (0.524", 13.30mm), Top Port                                                                                                                                |
| OUTPUT TYPE                      | Analog Voltage                                                                                                                                                   |
| OUTPUT                           | 0.33 V ~ 2.97 V                                                                                                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                                                                     |
| OPERATING PRESSURE               | 5.8 PSI (40 kPa)                                                                                                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                                                                    |
| MAXIMUM PRESSURE                 | 29.01 PSI (200 kPa)                                                                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                                                       |
| FEATURES                         | Amplified Output, Temperature Compensated                                                                                                                        |
| DETAILED DESCRIPTION             | Pressure Sensor 5.8 PSI (40 kPa) Vented Gauge Male - 0.19" (4.93mm) Tube 0.33 V ~ 2.97 V 8-DIP (0.524", 13.30mm), Top Port                                       |
| ACCURACY                         | ±0.25%                                                                                                                                                           |
