| DESCRIPTION                                 | SENSR OPTO TRANS 5.59MM REFL PCB                                                                                |
| LEAD FREE STATUS / ROHS STATUS              | Contains lead / RoHS non-compliant                                                                              |
| DATA SHEET                                  |  <a href="#">OPB755T.pdf</a> |
| VOLTAGE - COLLECTOR EMITTER BREAKDOWN (MAX) | 24V                                                                                                             |
| SERIES                                      | -                                                                                                               |
| SENSING METHOD                              | Reflective                                                                                                      |
| SENSING DISTANCE                            | 0.220" (5.59mm)                                                                                                 |
| RESPONSE TIME                               | -                                                                                                               |
| PACKAGING                                   | Bulk                                                                                                            |
| PACKAGE / CASE                              | PCB Mount                                                                                                       |
| OUTPUT TYPE                                 | Phototransistor                                                                                                 |
| OPERATING TEMPERATURE                       | -40°C ~ 85°C                                                                                                    |
| MOUNTING TYPE                               | Through Hole                                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL)            | 1 (Unlimited)                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS              | Contains lead / RoHS non-compliant                                                                              |
| DETAILED DESCRIPTION                        | Reflective Optical Sensor 0.220" (5.59mm) PCB Mount                                                             |
| CURRENT - DC FORWARD (IF) (MAX)             | 50mA                                                                                                            |
| CURRENT - COLLECTOR (IC) (MAX)              | 30mA                                                                                                            |
