| DESCRIPTION                      | IC TXRX RS-485 +5.0V ESD 14SOIC                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| DATA SHEET                       | <a href="#">1.MAX13182EESD+.pdf</a><br><a href="#">2.MAX13182EESD+.pdf</a> |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                              |
| TYPE                             | Transceiver                                                                |
| SUPPLIER DEVICE PACKAGE          | 14-SOIC                                                                    |
| SERIES                           | -                                                                          |
| RECEIVER HYSTERESIS              | 100mV                                                                      |
| PROTOCOL                         | RS422, RS485                                                               |
| PACKAGING                        | Tube                                                                       |
| PACKAGE / CASE                   | 14-SOIC (0.154", 3.90mm Width)                                             |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                               |
| NUMBER OF DRIVERS/RECEIVERS      | 1/1                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                              |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| DUPLEX                           | Full                                                                       |
| DETAILED DESCRIPTION             | 1/1 Transceiver Full RS422, RS485 14-SOIC                                  |
| DATA RATE                        | 250kbps                                                                    |
| BASE PART NUMBER                 | MAX13182                                                                   |
