| VOLTAGE - OUTPUT (MAX)          | 48V                                                                  |
| VOLTAGE - ISOLATION             | -                                                                    |
| VOLTAGE - FORWARD (VF) (TYP)    | -                                                                    |
| VCE SATURATION (MAX)            | -                                                                    |
| TURN ON / TURN OFF TIME (TYP)   | -                                                                    |
| SUPPLIER DEVICE PACKAGE         | -                                                                    |
| SERIES                          | -                                                                    |
| RISE / FALL TIME (TYP)          | -                                                                    |
| PACKAGING                       | Bulk                                                                 |
| PACKAGE / CASE                  | Module                                                               |
| OUTPUT TYPE                     | Transistor                                                           |
| OTHER NAMES                     | MCZO 120 VAC/DC 20MA                                                 |
| OPERATING TEMPERATURE           | -25°C ~ 40°C                                                         |
| NUMBER OF CHANNELS              | 1                                                                    |
| MOUNTING TYPE                   | DIN Rail                                                             |
| MANUFACTURER STANDARD LEAD TIME | 10 Weeks                                                             |
| LEAD FREE STATUS / ROHS STATUS  | Lead free / RoHS Compliant                                           |
| INPUT TYPE                      | DC                                                                   |
| DETAILED DESCRIPTION            | Optoisolator Transistor Output 1 Channel                             |
| CURRENT TRANSFER RATIO (MIN)    | -                                                                    |
| CURRENT TRANSFER RATIO (MAX)    | -                                                                    |
| CURRENT - OUTPUT / CHANNEL      | 50mA                                                                 |
