

MAX14930EASE+T

|                     |                                        |
|---------------------|----------------------------------------|
| Part Number:        | MAX14930EASE+T                         |
| Manufacturer/Brand: | Maxim Integrated                       |
| Product description | DGTL ISO 2.75KV GEN PURP 16SOIC        |
| Datasheets:         | <a href="#">PDF</a> MAX14930EASE+T.pdf |
| RoHs Status         | Lead free / RoHS Compliant             |
| Ship From           | Hong Kong                              |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                  |

REQUEST FOR QUOTATION

Specifications of MAX14930EASE+T

|                                      |                                                                                                              |
|--------------------------------------|--------------------------------------------------------------------------------------------------------------|
| PART NUMBER                          | MAX14930EASE+T                                                                                               |
| MANUFACTURER                         | Maxim Integrated                                                                                             |
| DESCRIPTION                          | DGTL ISO 2.75KV GEN PURP 16SOIC                                                                              |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                                                                   |
| DATA SHEET                           | <a href="#">PDF</a> MAX14930EASE+T.pdf                                                                       |
| VOLTAGE - SUPPLY                     | 1.71 V ~ 5.5 V                                                                                               |
| VOLTAGE - ISOLATION                  | 2750Vrms                                                                                                     |
| TYPE                                 | General Purpose                                                                                              |
| TECHNOLOGY                           | Capacitive Coupling                                                                                          |
| SUPPLIER DEVICE PACKAGE              | 16-SOIC                                                                                                      |
| SERIES                               | -                                                                                                            |
| RISE / FALL TIME (TYP)               | 2ns, 2ns                                                                                                     |
| PULSE WIDTH DISTORTION (MAX)         | 2.6ns                                                                                                        |
| PROPAGATION DELAY TPLH / TPHL (MAX)  | 27.5ns, 28.8ns                                                                                               |
| PACKAGING                            | Tape & Reel (TR)                                                                                             |
| PACKAGE / CASE                       | 16-SOIC (0.154", 3.90mm Width)                                                                               |
| OPERATING TEMPERATURE                | -40°C ~ 125°C                                                                                                |
| NUMBER OF CHANNELS                   | 4                                                                                                            |
| MOUNTING TYPE                        | Surface Mount                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL)     | 1 (Unlimited)                                                                                                |
| MANUFACTURER STANDARD LEAD TIME      | 6 Weeks                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                                                                   |
| ISOLATED POWER                       | No                                                                                                           |
| INPUTS - SIDE 1/SIDE 2               | 4/0                                                                                                          |
| DETAILED DESCRIPTION                 | General Purpose Digital Isolator 2750Vrms 4 Channel 25Mbps 25kV/μs (Typ) CMTI 16-SOIC (0.154", 3.90mm Width) |
| DATA RATE                            | 25Mbps                                                                                                       |
| COMMON MODE TRANSIENT IMMUNITY (MIN) | 25kV/μs (Typ)                                                                                                |
| CHANNEL TYPE                         | Unidirectional                                                                                               |
