| VOLTAGE SUPPLY SOURCE            | Single Supply                                                                    |
| VOLTAGE - SUPPLY                 | 4.75 V ~ 5.25 V                                                                  |
| TYPE                             | Data Acquisition System (DAS)                                                    |
| SUPPLIER DEVICE PACKAGE          | 28-SOIC                                                                          |
| SERIES                           | -                                                                                |
| SAMPLING RATE (PER SECOND)       | 100k                                                                             |
| RESOLUTION (BITS)                | 12 b                                                                             |
| PACKAGING                        | Tape & Reel (TR)                                                                 |
| PACKAGE / CASE                   | 28-SOIC (0.295", 7.50mm Width)                                                   |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                       |
| NUMBER OF CHANNELS               | 6                                                                                |
| MOUNTING TYPE                    | Surface Mount                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                       |
| DETAILED DESCRIPTION             | Data Acquisition System (DAS) 12 bit 100k Parallel 28-SOIC                       |
| DATA INTERFACE                   | Parallel                                                                         |
| BASE PART NUMBER                 | MAX198                                                                           |
