| MANUFACTURER                     | Maxim Integrated                                                                                                        |
| DESCRIPTION                      | IC RTC CLK/CALENDAR PAR 34-PCM                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                      |
| DATA SHEET                       |  <a href="#">DS1747WP-120IND.pdf</a> |
| VOLTAGE - SUPPLY, BATTERY        | 3V                                                                                                                      |
| VOLTAGE - SUPPLY                 | 2.97 V ~ 3.63 V                                                                                                         |
| TYPE                             | Clock/Calendar                                                                                                          |
| TIME FORMAT                      | HH:MM:SS (24 hr)                                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 34-PowerCap Module                                                                                                      |
| SERIES                           | -                                                                                                                       |
| PACKAGING                        | Tube                                                                                                                    |
| PACKAGE / CASE                   | 34-PowerCap™ Module                                                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                            |
| MOUNTING TYPE                    | Surface Mount                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                           |
| MEMORY SIZE                      | 512KB                                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                      |
| INTERFACE                        | Parallel                                                                                                                |
| FEATURES                         | Leap Year, NVSRAM, Y2K                                                                                                  |
| DETAILED DESCRIPTION             | Real Time Clock (RTC) IC Clock/Calendar 512KB Parallel 34-PowerCap™ Module                                              |
| DATE FORMAT                      | YY-MM-DD-dd                                                                                                             |
| CURRENT - TIMEKEEPING (MAX)      | 2mA @ 3.3V                                                                                                              |
| BASE PART NUMBER                 | DS1747                                                                                                                  |
