CM18-08BPP-EW1

|                     |                            |
|---------------------|----------------------------|
| Part Number:        | CM18-08BPP-EW1             |
| Manufacturer/Brand: | SICK                       |
| Product description | SEN PROX M18 FLUSH PNP CBL |
| Datasheets:         |                            |
| Ship From           | Hong Kong                  |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS      |

REQUEST FOR QUOTATION

Specifications of CM18-08BPP-EW1

|                                 |                                                                                              |
|---------------------------------|----------------------------------------------------------------------------------------------|
| PART NUMBER                     | CM18-08BPP-EW1                                                                               |
| MANUFACTURER                    | SICK                                                                                         |
| DESCRIPTION                     | SEN PROX M18 FLUSH PNP CBL                                                                   |
| LEAD FREE STATUS / ROHS STATUS  |                                                                                              |
| DATA SHEET                      |                                                                                              |
| VOLTAGE - SUPPLY                | 10 V ~ 36 V                                                                                  |
| TERMINATION STYLE               | Cable                                                                                        |
| SHIELDING                       | Shielded                                                                                     |
| SERIES                          | -                                                                                            |
| SENSOR TYPE                     | Capacitive                                                                                   |
| SENSING DISTANCE                | 0.118" ~ 0.315" (3mm ~ 8mm)                                                                  |
| RESPONSE FREQUENCY              | 50Hz                                                                                         |
| PACKAGE / CASE                  | Cylinder, Threaded - M18                                                                     |
| OUTPUT TYPE                     | PNP-NC/NO, 4-Wire                                                                            |
| OTHER NAMES                     | 6058144                                                                                      |
| OPERATING TEMPERATURE           | -30°C ~ 85°C (TA)                                                                            |
| MATERIAL - BODY                 | Plastic                                                                                      |
| MANUFACTURER STANDARD LEAD TIME | 3 Weeks                                                                                      |
| INGRESS PROTECTION              | IP68, IP69K                                                                                  |
| INDICATOR                       | No Indicator                                                                                 |
| DETAILED DESCRIPTION            | Capacitive Proximity Sensor 0.118" ~ 0.315" (3mm ~ 8mm) IP68, IP69K Cylinder, Threaded - M18 |
