

ON Semiconductor®  
ON

AMI Semiconductor / ON

Semiconductor

Part Number:74ACTQ16240MTDX

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC BUFFER INVERT 5.5V 48TSSOP

Datasheets:

74ACTQ16240MTDX.pdf

RoHs Status:

Lead free / RoHS Compliant

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

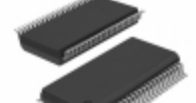

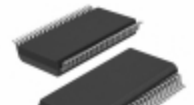

Specifications of 74ACTQ16240MTDX

|                                  |                                                                                                         |
|----------------------------------|---------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | 74ACTQ16240MTDX                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                    |
| DESCRIPTION                      | IC BUFFER INVERT 5.5V 48TSSOP                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| DATA SHEET                       |  74ACTQ16240MTDX.pdf |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 48-TSSOP                                                                                                |
| SERIES                           | 74ACTQ                                                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                                        |
| PACKAGE / CASE                   | 48-TFSOP (0.240", 6.10mm Width)                                                                         |
| OUTPUT TYPE                      | 3-State                                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                       |
| NUMBER OF ELEMENTS               | 4                                                                                                       |
| NUMBER OF BITS PER ELEMENT       | 4                                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| LOGIC TYPE                       | Buffer, Inverting                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| INPUT TYPE                       | -                                                                                                       |
| DETAILED DESCRIPTION             | Buffer, Inverting 4 Element 4 Bit per Element 3-State Output 48-TSSOP                                   |
| CURRENT - OUTPUT HIGH, LOW       | 24mA, 24mA                                                                                              |
| BASE PART NUMBER                 | 74ACTQ16240                                                                                             |
