| DATA SHEET                       |  <a href="#">LT3060IDC-2.5#TRMPBF.pdf</a> |
| VOLTAGE DROPOUT (MAX)            | 0.51V @ 100mA                                                                                                                |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 2.5V                                                                                                                         |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                                            |
| VOLTAGE - INPUT (MAX)            | 45V                                                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 8-DFN (2x2)                                                                                                                  |
| SERIES                           | -                                                                                                                            |
| PROTECTION FEATURES              | Over Current, Over Temperature, Reverse Polarity                                                                             |
| PACKAGING                        | Tape & Reel (TR)                                                                                                             |
| PACKAGE / CASE                   | 8-WDFN Exposed Pad                                                                                                           |
| PSRR                             | 73dB (120Hz)                                                                                                                 |
| OUTPUT TYPE                      | Fixed                                                                                                                        |
| OUTPUT CONFIGURATION             | Positive                                                                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                                                |
| NUMBER OF REGULATORS             | 1                                                                                                                            |
| MOUNTING TYPE                    | Surface Mount                                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                                |
| MANUFACTURER STANDARD LEAD TIME  | 10 Weeks                                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                   |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 2.5V 100mA 8-DFN (2x2)                                                   |
| CURRENT - SUPPLY (MAX)           | 4mA                                                                                                                          |
| CURRENT - QUIESCENT (IQ)         | 80µA                                                                                                                         |
| CURRENT - OUTPUT                 | 100mA                                                                                                                        |
| CONTROL FEATURES                 | Enable, Soft Start                                                                                                           |
