

Micron Technology

Part Number: PC28F256M29EWLB TR  
Manufacturer/Brand: Micron Technology  
Product description: IC FLASH 256M PARALLEL 64FBGA  
Datasheets:  PC28F256M29EWLB TR.pdf  
RoHs Status:  Lead free / RoHS Compliant  
Ship From: Hong Kong  
Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

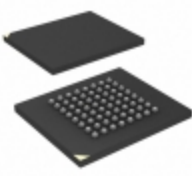

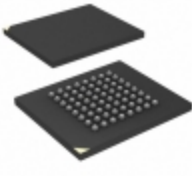

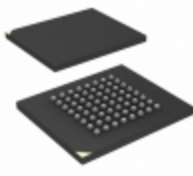

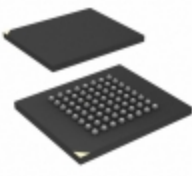

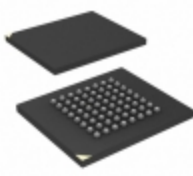

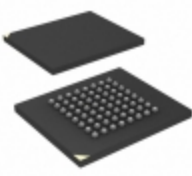

Specifications of PC28F256M29EWLB TR

|                                  |                                                                                                            |
|----------------------------------|------------------------------------------------------------------------------------------------------------|

| DESCRIPTION                      | IC FLASH 256M PARALLEL 64FBGA                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| DATA SHEET                       |  PC28F256M29EWLB TR.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | 100ns                                                                                                      |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                                                              |
| TECHNOLOGY                       | FLASH - NOR                                                                                                |
| SUPPLIER DEVICE PACKAGE          | 64-FBGA (11x13)                                                                                            |
| SERIES                           | -                                                                                                          |
| PACKAGING                        | Tape & Reel (TR)                                                                                           |
| PACKAGE / CASE                   | 64-LBGA                                                                                                    |
| OTHER NAMES                      | PC28F256M29EWLB TR-ND<br>PC28F256M29EWLBTR                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                              |
| MEMORY TYPE                      | Non-Volatile                                                                                               |
| MEMORY SIZE                      | 256Mb (32M x 8, 16M x 16)                                                                                  |
| MEMORY INTERFACE                 | Parallel                                                                                                   |
| MEMORY FORMAT                    | FLASH                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| DETAILED DESCRIPTION             | FLASH - NOR Memory IC 256Mb (32M x 8, 16M x 16) Parallel 100ns 64-FBGA (11x13)                             |
| BASE PART NUMBER                 | PC28F256M29                                                                                                |
| ACCESS TIME                      | 100ns                                                                                                      |
