| MANUFACTURER                     | IXYS Integrated Circuits Division                                                                                 |
| DESCRIPTION                      | IC LINE CARD ACCESS SW 16-SOIC                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                        |
| DATA SHEET                       |  <a href="#">CPC7691BA.pdf</a> |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                                                                           |
| SERIES                           | -                                                                                                                 |
| POWER (WATTS)                    | 10.5mW                                                                                                            |
| PACKAGING                        | Tube                                                                                                              |
| PACKAGE / CASE                   | 16-SOIC (0.295", 7.50mm Width)                                                                                    |
| OPERATING TEMPERATURE            | -40°C ~ 110°C                                                                                                     |
| NUMBER OF CIRCUITS               | 1                                                                                                                 |
| MOUNTING TYPE                    | Surface Mount                                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                        |
| INTERFACE                        | TTL                                                                                                               |
| INCLUDES                         | Bounce-Free Switching, Tertiary Protection                                                                        |
| FUNCTION                         | Line Card Access Switch                                                                                           |
| DETAILED DESCRIPTION             | Telecom IC Line Card Access Switch 16-SOIC                                                                        |
| CURRENT - SUPPLY                 | 2mA                                                                                                               |
