| DESCRIPTION                      | IC EEPROM 1M PARALLEL 32TSOP                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                    |
| DATA SHEET                       |  <a href="#">AT28C010-15TC.pdf</a> |
| WRITE CYCLE TIME - WORD, PAGE    | 10ms                                                                                                                  |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                                         |
| TECHNOLOGY                       | EEPROM                                                                                                                |
| SUPPLIER DEVICE PACKAGE          | 32-TSOP                                                                                                               |
| SERIES                           | -                                                                                                                     |
| PACKAGING                        | Tray                                                                                                                  |
| PACKAGE / CASE                   | 32-TFSOP (0.724", 18.40mm Width)                                                                                      |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TC)                                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                         |
| MEMORY TYPE                      | Non-Volatile                                                                                                          |
| MEMORY SIZE                      | 1Mb (128K x 8)                                                                                                        |
| MEMORY INTERFACE                 | Parallel                                                                                                              |
| MEMORY FORMAT                    | EEPROM                                                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                    |
| DETAILED DESCRIPTION             | EEPROM Memory IC 1Mb (128K x 8) Parallel 150ns 32-TSOP                                                                |
| BASE PART NUMBER                 | AT28C010                                                                                                              |
| ACCESS TIME                      | 150ns                                                                                                                 |
