XC5VLX30T-2FFG323C

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | XC5VLX30T-2FFG323C                                                                                           |
| Manufacturer/Brand: | Xilinx                                                                                                       |
| Product description | IC FPGA 172 I/O 323FCBGA                                                                                     |
| Datasheets:         | <a href="#">1.XC5VLX30T-2FFG323C.pdf</a><br><a href="#">2.XC5VLX30T-2FFG323C.pdf</a>                         |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of XC5VLX30T-2FFG323C

|                                  |                                                                                      |
|----------------------------------|--------------------------------------------------------------------------------------|
| PART NUMBER                      | XC5VLX30T-2FFG323C                                                                   |
| MANUFACTURER                     | Xilinx                                                                               |
| DESCRIPTION                      | IC FPGA 172 I/O 323FCBGA                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                           |
| DATA SHEET                       | <a href="#">1.XC5VLX30T-2FFG323C.pdf</a><br><a href="#">2.XC5VLX30T-2FFG323C.pdf</a> |
| VOLTAGE - SUPPLY                 | 0.95 V ~ 1.05 V                                                                      |
| TOTAL RAM BITS                   | 1327104                                                                              |
| SUPPLIER DEVICE PACKAGE          | 323-FCBGA (19x19)                                                                    |
| SERIES                           | Virtex@-5 LXT                                                                        |
| PACKAGE / CASE                   | 323-BBGA, FCBGA                                                                      |
| OPERATING TEMPERATURE            | 0°C ~ 85°C (TJ)                                                                      |
| NUMBER OF LOGIC ELEMENTS/CELLS   | 30720                                                                                |
| NUMBER OF LABS/CLBS              | 2400                                                                                 |
| NUMBER OF I/O                    | 172                                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 4 (72 Hours)                                                                         |
| MANUFACTURER STANDARD LEAD TIME  | 10 Weeks                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                           |
