| VOLTAGE - SUPPLY                 | 4.75 V ~ 5.25 V                                                              |
| TYPE                             | Transceiver                                                                  |
| SUPPLIER DEVICE PACKAGE          | 8-uDFN (2x2)                                                                 |
| SERIES                           | -                                                                            |
| RECEIVER HYSTERESIS              | 25mV                                                                         |
| PROTOCOL                         | RS422, RS485                                                                 |
| PACKAGING                        | Cut Tape (CT)                                                                |
| PACKAGE / CASE                   | 8-WDFDN                                                                      |
| OTHER NAMES                      | MAX13486EELA+TCT<br>MAX13486EELAT                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                 |
| NUMBER OF DRIVERS/RECEIVERS      | 1/1                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                   |
| DUPLEX                           | Half                                                                         |
| DETAILED DESCRIPTION             | 1/1 Transceiver Half RS422, RS485 8-uDFN (2x2)                               |
| DATA RATE                        | 16Mbps                                                                       |
| BASE PART NUMBER                 | MAX13486E                                                                    |
