| VOLTAGE - SUPPLY                 | 4 V ~ 5.5 V                                                          |
| SUPPLIER DEVICE PACKAGE          | 24-PDIP                                                              |
| SERIES                           | -                                                                    |
| PACKAGING                        | Tube                                                                 |
| PACKAGE / CASE                   | 24-DIP (0.300", 7.62mm)                                              |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                           |
| MOUNTING TYPE                    | Through Hole                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                   |
| INTERFACE                        | 4-Wire Serial                                                        |
| DISPLAY TYPE                     | LED                                                                  |
| DIGITS OR CHARACTERS             | 8 Digits                                                             |
| CURRENT - SUPPLY                 | 330mA                                                                |
| CONFIGURATION                    | 7 Segment + DP                                                       |
| BASE PART NUMBER                 | MAX7219                                                              |
